# How To Find Us

## Train

Leicester Train Station is roughly 1.2 miles from King Power Stadium. This equates to an approximate five-minute car journey or up to a 45-minute walk.

To walk from Leicester Train Station, exit the station, cross London Road at the traffic lights, turn left and follow the road to King Power Stadium around to the right. Keep the Central Ring Road (Waterloo Way) on your left as the path separates from the road, staying on this path as it crosses New Walk. The path then re-joins the pavement, where Nelson Mandela Park will now be in view. Turn right onto Lancaster Road and walk through the park, heading for the crossings by the public toilets. Cross Welford Road and turn left, following the road around (passing Morrisons supermarket) to King Power Stadium.

For more information on travelling to King Power Stadium by train, visit the following pages:

[nationalrail.co.uk](http://nationalrail.co.uk)

[eastmidlandstrains.co.uk](http://eastmidlandstrains.co.uk)

## Cycle Park

Leicester City are proud to promote all forms of 'green' travel. As such, the Club encourages local supporters to utilise the cycle park by cycling to King Power Stadium.

For those local to Leicester, cycling offers an attractive alternative, helping minimise the impact of pre and post-match traffic.

Supporters travelling to King Power Stadium on bike can use the Club's cycle park free of charge. The facility offers 20 spaces on a first come, first served basis. Cyclists should enter via Car Park B and show their match ticket on arrival.

## Car

The M1 and M69 Motorways interchange at Junction 21 (M1), where you should exit and follow the signs for the City Centre via the A5460. After three miles, turn right onto Upperton Road, follow the road down until you get to the Liberty Statue Island and take the fifth exit down Western Boulevard. You will then see King Power Stadium on your right-hand side.

## Bus

A number of bus services run from Leicester City Centre to King Power Stadium, stopping on Aylestone Road, which is a five-minute walk from King Power Stadium. Most buses in Leicester are low floor vehicles, meaning they can be lowered to pavement level once the bus has stopped. Buses all include wheelchair spaces. For details on bus routes to Leicester, visit [travelineeastmidlands.co.uk](http://travelineeastmidlands.co.uk)

## Park & Ride

There are three Park and Ride sites in Leicester, operating from 7am until 7pm, Monday to Saturday. Users of the Park and Ride services can park for free at the sites.

For full details, including prices of Park and Ride services in Leicester, visit [leicester.gov.uk/transport-and-streets/travelling-by-bus/park-and-ride](http://leicester.gov.uk/transport-and-streets/travelling-by-bus/park-and-ride)

## Walk

**PLEASE NOTE:** When walking around the local area on a matchday, please stick to the pedestrian footpaths and avoid walking in the road – even if the pavement appears congested. This is particularly important on Aylestone Road and Narborough Road with the amount of fast-moving vehicles passing.

Details of known road closures throughout the season will be communicated via the Club's media channels at the earliest opportunity.

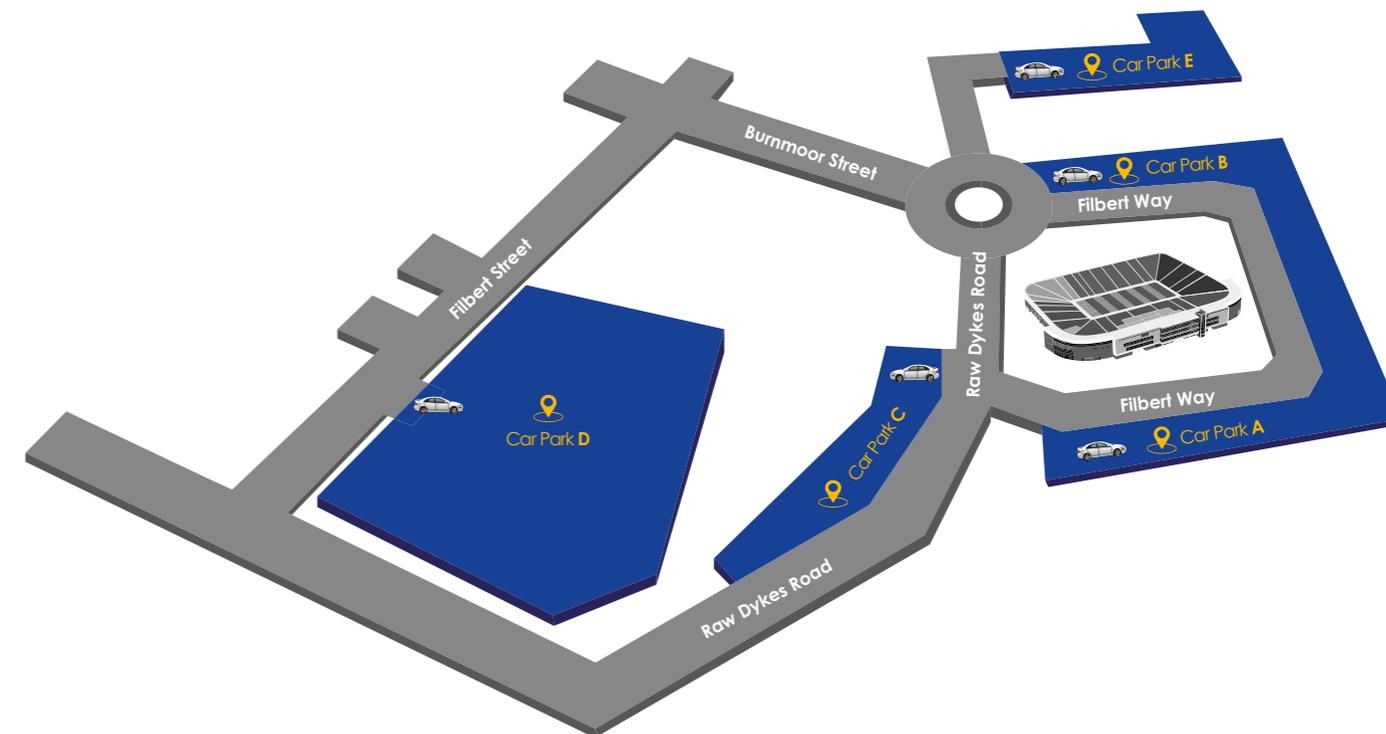

## Car Parking

For supporters driving to King Power Stadium, parking is available on the Club's Filbert Street car park, priced at £17 per car. These spaces need to be pre-booked before the day of the match by calling the City Sales Centre on **0344 815 5000 (Option 1)**.

The Club also has 10 spaces available in Car Park C, situated on Raw Dykes Road, for visiting supporters with disabilities. These spaces will be sent to the visiting club to sell to their supporters prior to the fixture. They must be purchased in advance and are priced at £10 per car.

Within the surrounding area, there are a number of car parking options, including parking on Freemans Common Business Park (LE2 7SQ). Many independent car parks in this area are run in aid of a Multiple Sclerosis Therapy Centre, at a cost of £4 / £5 per car, with all proceeds going to the charity.

For further details on car parking in close proximity to King Power Stadium, please visit [leicester.gov.uk/transport-and-streets/parking-in-leicester/where-to-park](https://leicester.gov.uk/transport-and-streets/parking-in-leicester/where-to-park)

## 2019/20 Season Tickets

Leicester City Football Club would like to thank all 23,000 Season Ticket Holders for purchasing a Season Ticket for the upcoming 2019/20 Premier League season.

If you have any questions regarding Season Ticket, match ticket or Fox Membership sales, please email [ticketsinfo@lfc.co.uk](mailto:ticketsinfo@lfc.co.uk)

\*Subject to availability

## 2019/20 Fox Memberships

Since the Club's return to the top flight in 2014 and the remarkable achievements that followed, Fox Membership has been supporters' best chance of securing Premier League match tickets at King Power Stadium. It is also the only way for supporters to put themselves in the frame for Season Tickets, demonstrated this summer when a significant number of Members were able to secure a 2019/20 Season Ticket.

2019/20 Fox Memberships will continue to give supporters the chance to purchase away tickets via an exclusive ballot, while fantastic discounts on the Club's award-winning hospitality packages have also been introduced for the coming campaign.

2019/20 Fox Members will also save £1.50 on all home Premier League ticket transaction fees, per ticket purchased.

Prices have also been reduced for 2019/20, with an Adult Fox Membership starting at £45 and Junior Fox Memberships starting at £20.

Another new addition for 2019/20 is 'Lite' Fox Membership, priced £10 less than the Club's full Fox Membership offering.

## Cup Tickets

Priority will continue to apply to Season Ticket Holders and Fox Members for Cup fixtures throughout the 2019/20 season. Where possible, ticket prices will be agreed with the opposing club. Home and away ticket pricing will then be made available through **LCFC.com**. For more information, email [ticketsinfo@lfc.co.uk](mailto:ticketsinfo@lfc.co.uk)

Season Ticket Holders will be given priority to purchase their current seats in the event of Cup ties being held at King Power Stadium, although should the seat be allocated to the opposition in compliance with competition rules, a suitable relocation will be granted to the Season Ticket Holder.

In the event of a smaller anticipated gate for certain Cup fixtures, all areas of the stadium may not be opened. This may result in certain Season Ticket Holders being required to relocate from their regular seats.

## Away Days

The Club's ticket sales procedure for away fixtures is designed to reward fans who most regularly travel the country supporting LCFC. Every time supporters purchase tickets for away fixtures, they are rewarded with points.

In addition to offering a points system for away games, the Club will continue to hold 2% of away tickets for 2019/20 Fox Members to purchase via a ballot. Please email [membersinfo@lfc.co.uk](mailto:membersinfo@lfc.co.uk) for further details.

## Banning Orders & Appeals

Leicester City Football Club does not tolerate any form of anti-social behaviour. Should you find yourself in any trouble, information regarding the Club's banning order procedures are set out below.

### Statement of Intent

Leicester City Football Club will not tolerate verbal abuse, threatening behaviour, violent conduct or an assault towards any member of staff. Situations of this kind will be taken extremely seriously by the Club. The safety, security, health and welfare of the Club's employees and matchday attendees are paramount.

### **As a result any person committing:**

- Verbal abuse toward a member of LCFC staff will instigate a three month ban from the footprint of the premises.

- Threatening behaviour towards any member of LCFC staff will instigate a six month ban from the footprint of the premises (depending upon the severity, the ban may be increased).

- Violent conduct towards any member of LCFC staff will instigate a one year ban from the footprint of the premises (depending upon the severity, the ban may be increased).

- Assaulting a member of LCFC staff will instigate a lifetime ban from the footprint of the premises.

**PLEASE NOTE:** Leicestershire Police will be advised or involved with every incident.

### The Process

- A person ejected from King Power Stadium on a matchday is expelled via the Police detention room, whereby a duty Police Officer records their details and a slip is served outlining an automatic three-match ban. The Safety Management Team will serve notice via an official letter to the perpetrator posted the following working day. Subject to a Police enquiry, the Football Intelligence Officer may also request an extension to the ban.

- Depending on the severity of the offence, a banned supporter may be requested to sign a good behavioural document before the ban is rescinded.

- Supporters who wish to appeal must lodge their appeal via a signed letter addressed to LCFC Help, Leicester City Football Club, King Power Stadium, Filbert Way, Leicester, LE2 7FL - or attached to an email and sent to help@lcfc.co.uk stating the reason for a request for an appeal.

- The appeal procedure will be chaired by the Operations Director and supported by The Football Intelligence Officer of Leicestershire Police.

- The person will be advised of the Club's decision by an official letter within three working days of the appeal.

- A second offence carries a lengthier ban, subject to advice from Police Intelligence.

### Banning Orders

Leicester City Football Club provides a safe and inclusive environment for all supporters. The Club operates a zero tolerance to anti-social behaviour and anyone who breaches the Ground Regulations will be subject to a banning order. In some instances, the Club reserves the right to use season and lifetime bans.

Leicester City Football Club expects its supporters and all attendees at King Power Stadium to conduct themselves in an appropriate manner at all times. The Club will not tolerate any form of hate crime - including discrimination, violent, threatening, abusive, obscene or provocative behaviour or language and will take the strongest possible action against conduct that falls short of our expectations.

## LCFC in the Community

LCFC in the Community is currently enjoying a period of expansion as it continues to forge effective links between the Club and local communities. Specific emphasis has been placed on projects that harnesses the power of football to inspire people to strive to achieve their potential.

Partnerships with the Premier League, Leicestershire County Council, Leicestershire Police and corporate backers enable the LCFC in the Community to provide opportunities that create a positive impact on the lifestyles of young people throughout the city and county.

Key areas of delivery are provided in education, employment, sports participation and community cohesion. The Club's rise to the Premier League and subsequent Premier League triumph has provided added value to the opportunities on offer, reflective of the following Premier League-backed initiatives:-

- **Premier League Primary Stars:** Delivery of School PE curriculum across the city for KS1 & KS2 pupils. These provide exit routes for participants to pursue player pathways in football by attending after school clubs, soccer camps and academy development centres.

- **Premier League Kicks and Premier League Works:**

A project that helps Leicester's disadvantaged young people progress from crime diversion projects to employability and money management courses.

- **Premier League Girls Football and Premier League 4 Sports (multi-sports delivery):** Provide participation to engage alongside coaching, officiating and volunteering opportunities.

- **BT Inclusion Programme:** Seeks to remove the barriers that present those with a disability the chance to engage with sporting, education and employability activities.

Leicester City recognises its supporter base as the heart and soul of its community, and we strive to reach out and engage whenever possible.

LCFC in the Community continues to expand its offerings in line with LCFC's commitment to making a difference within local communities, as outlined in the Club's corporate social responsibility strategy.

Should you have any ideas you wish to discuss regarding LCFC Community Trust, please email [trust@lcfc.co.uk](mailto:trust@lcfc.co.uk)

## Vichai Srivaddhanaprabha Foundation

The LCFC Foxes Foundation was renamed The Vichai Srivaddhanaprabha Foundation in November 2018 in honour of Leicester City's late Chairman, Khun Vichai, who tragically lost his life in October 2018. The Foundation is committed to giving back to the Leicestershire community by raising large sums of money for life-changing causes in the county that have a real impact on the lives of those in need.

With former player and Club Ambassador Alan 'The Birch' Birchenall as its driving force, The Vichai Srivaddhanaprabha Foundation uses the reach of the Premier League, the passion of Leicester City fans and a creative approach to fundraising, to benefit its community in a number of ways.

The Vichai Srivaddhanaprabha Foundation was formed in 2011/12 with the launch of the 'One in a Million' campaign, which looked to take the total of £850,000 already raised by legendary Club Ambassador 'The Birch' beyond the £1M mark.

This feat was achieved in the very first season thanks to a host of fundraising events, that culminated in Birch's Annual Run around the pitch prior to the team's final home game of the campaign.

Over the following six seasons, The Vichai Srivaddhanaprabha Foundation has been striving to take its fundraising beyond the £2M mark.

Money raised over the years has gone towards a number of important causes, including the funding of a renovation of Leicester Royal Infirmary's Children's Outpatient Ward and life-saving equipment desperately needed by the Children's Intensive Care Unit.

The Vichai Srivaddhanaprabha Foundation has supported dozens of local causes throughout its seven years, including Leicester Hospitals Charity, LOROS, Rainbows Children's Hospice, Leicestershire Children's Holiday Centre and by installing life-saving defibrillators in key areas around the county.
